ALL NORTH.

Chas. H. Kelly is now selling Archer & Co.'s bacon.

Pete Musgrove picked up the wrong runner at the picnic.

The flags were at half mast yesterday out of respect for Sheridan.

The C. P. people are investigating the cause of the delayed trains. Same old story.

Eighteen hundred shares of artesian well stock were sold in Genoa yesterday at \$1 per share.

Dr. Bishop was in the city yesterday attending the monthly meeting of the Asylum Commissioners.

Yesterday the side track was completed to the Government building and work will begin in extent this week.

The Rentz Santley troupe will play here this evening. The Virginia papers say that it was a good performance and not immodest.

The next meeting of the State Board of Agriculture will take place on the 8th instant, and not on the 20th as incorrectly stated in Saturday's Gazette.

R. W. Parry will in future run the Depot House at Reno, having purchased Fitzgerald's interest. It would always have been run up to the handle under either management.

The Gazette states that the elephant and camel of Forepaugh's circus passed through Reno to San Francisco on Monday. Both these animals are still at Frank Folsome's hay-yard.

For removing dandruff, Ayer's Hair Vigor has no equal. It restores faded and gray hair to its original color, stimulates the growth of the hair, and gives it a beautiful, glossy, and silken appearance.

Ayer's Sarsaparilla is designed for those who need a medicine to purify their blood. No other preparation so well meets this want. It increases the appetite and rejuvenates the whole system. Its record, for forty years, is one of constant triumph over disease.

Syrup of Figs

It is the most easily taken, and the most effective remedy known to cleanse the system when Bilious or Costive; to dispel Headaches, Colds, and Fevers; to Cure Habitual Constipation, Indigestion, Piles, etc. Manufactured only by the California Fig Syrup Company, San Francisco, Cal. For sale by George C. Thaxter, agent Carson. Jan1

For Home and Family Use.

Geo. T. Davis has just received fresh from the East, a lot of Baking Powder, the purest and best made; a new line of the best flavoring extracts.

Try the new Hawk Chop Tea. All of these he sells at reduced prices.

To farmers, all extra parts of Buckeye Mowers always on hand. Try the finest smoke that ever came to Carson; \$2 per 100. G. T. Davis is the agent. Jy7d

An Ill-Timed Remark.

Carson is bestirring itself about its Fair very much in the same manner as it did about the 4th of July—its newspapers are puffing their cheeks and emitting immense blasts of wind.—Enterprise.

It would be a great blessing to Nevada if the Virginia papers could be run by people who knew something about the agricultural needs of this State.

These mining papers look at everything through quartz spectacles, and belittle everything that does not smack of sulphurets and stamp mills.

These things are all well enough in their way, but there is something else in this State besides mines. Instead of belittling the District Fair the Virginia papers ought to help it along, as Storey county is a portion of the District.

Last year's District Fair was a big success, and those who attended were better pleased than with the State Fair, especially the horsemen, who will be back here this year in large force.

We hope to see the Virginia papers pulling for the District Fair in the future.

The Only Perfect Remedy

For habitual constipation, dyspepsia, and kindred ills, is the famous California liquid fruit remedy, Syrup of Figs. It strengthens as well as cleanses the system, it is easily taken, and perfectly harmless. For sale by Geo. C. Thaxter, agent.

For Sale.

A fine dwelling, out-houses, and half block of land, situated in the South-western part of Carson City. Near C. N. Noteware's. There is a fine spring of never-failing water on the premises. Will be sold cheap. al,lm NELSON BRUNETTE.

A Swimming Party.

A few days ago a number of San Francisco people stopping at the Ormsby House heard of Shaw's big swimming bath and suggested that it would be a good idea to organize a party and go out and have a good time.

Last evening eighteen people went out in the party, had a sumptuous lunch and a big frolic in the water, attired in the regulation Sante Monica bathing suits.

The affair was a great success and those who attended say that for real solid enjoyment, nothing equals one of these water romps.

This sort of amusement ought to become popular in Carson.

THE CIRCUS.

History of Yesterday's Rows and Litigations.

The circus still lingers in Carson and gives us a new variety of performance daily.

Yesterday Justice Summerfield gave judgment in the case of Reese, the restaurant man, against Sharrard, the teamster, for \$64. He has the tent poles and canvas under attachment, and also some of the truck horses.

Sharrard, the teamster, then went down street, and meeting Reese began to call him some rather hard names, whereupon Reese hit him in the nose. The teamster drew a knife and tried to stab him in the side. The sheath stuck to the blade, but the blade protruded from the end of the sheath and made a cut about two inches long, but not serious.

Attorney Judge has charge of the tent, having attached it in the interests of McNeil, of San Francisco.

The elephant, lions, camel, truck mules, monkey and horses, are still at Folsom's hay yard, resting and eating, in the charge of keepers.

Part of the company are now in Glenbrook giving a show, part of the company showed here last evening again to a good house, and tonight they will show in Empire City, as they think the Rentz troupe too strong a combination to play against. A moral circus show has no chance against the Rentz troupe.

The Glenbrook contingent will be down today, and if they make favorable reports of the country up that way the performers who are here will gather up the paraphernalia, and start out on the road again with John Forepaugh as manager.

The hard luck of the company has excited sympathy for them here, and they play to good houses at cheap prices of admission.

A BEAR IN CARSON.

He Comes Down From the Mountains for Beef.

Yesterday morning the butcher at Schulz's slaughter house went into the yard and out again like a house afire.

He ran up against a cinnamon bear crunching bones only a few feet away.

He mounted a horse and came into town to tell the Sheriff.

Jack Furlong and the Sheriff armed to the elbows went out to kill the bear and some of Forepaugh's men went out with ropes to capture the beast alive.

"Don't do it, said old John Forepaugh, only another animal to feed."

The party returned with no bear although they found his tracks all over the sand flat near Schulz's.

Mrs. Little saw the bear when it came through the Little ranch.

It came down from the mountains West of the city and was doubtless driven in by hunger.

At last accounts it had not been seen again.
